## L. R. CONSIGNMENT, CARMEL, N. Y.

- 1 **1914 Partial Proof Set.** Consisting of the Quarter, Dime, Nickel and Cent. The two silver coins brilliant and choice; the Nickel and Cent clean "'Sand-blast"' or Matte Proofs. Only 380 complete sets struck, and rapidly rising in value. 4 Pcs.
- 2 **1915 Partial Proof Set.** Quarter, Dime, Nickel and Cent. As nice as the last, except that the Cent shows traces of fingermark tarnish and has two reverse spots, one of them large. The 1915 Proof Half Dollar now brings \$300.00, and since the Quarter and Dime are equally rare, we anticipate a steady increase in their value. A really fine investment! 4 Pcs.
- 3 **Lincoln Cents.** 1909, 09 VDB, 10, 11, 12 and 1913. Brilliant red Uncirculated. Almost perfect. 6 Pcs.
- 4 **1909 "S" VDB.** Rich, golden-bronze Unc. Rare, and continuing in strong demand. A fingermarked specimen brought \$14.00 in our May 9th sale.
- 5 1909 "S" and 1910 "S". Brill. Unc. While the first is a bright golden color, the 1910 "S" is an orange red. Exceptional. 2 Pcs.
- 6 1911 "S" and "D". Brill. red Unc., the last particularly so. A scarce pair, seldom found so nice. 2 Pcs.
- 7 1912 "S". Choice Unc. Almost fully brilliant, but ever so lightly toned upon the obverse. Scarce.
- 8 1912 "D". Brill. red Unc. This bright, beautiful "Gem" is as nice as the day it left the Mint. Scarcer than the last, and worth a generous premium over catalog.
- 9 1913 "S". Choice Unc. A lustrous medium bronze color, this partly brilliant cent is beginning to tone at the edges. Well above average.
- 10 1913 "D". Brill. red Unc. A real "Gem" and worth close to \$10.00.
- 11 1914 and 1915. Brill. red Unc., the first unusually so. Uncommon. 2 Pcs.
- 12 **1914 "S".** Choice Unc. Toned an iridescent reddish-bronze color, this cent is superior to many of the specimens usually offered. It cost \$10.50 last year, and should bring that or more today.
- 13 **1914 "D".** Uncirculated. Dull red and steel. The rarest mint mark in the series, and generally found dark colored, almost completely devoid of original luster.
- 14 1915 "S" and "D". Choice Unc. Light red with a few microscopic tarnish flecks, and a brilliant, bright "Gem." Cost \$7.25. 2 Pcs.
- 15 1916, 16 "S" and "D". Brill. red Unc., the second with unimportant traces of tarnish. Worth at least \$7.50. 3 Pcs.
- 16 1917, 17 "S" and "D". Choice Unc. While the first is fully brilliant, the two mint marks, particularly the San Francisco coin, have begun to tone and show tarnish. 3 Pcs.
- 17 1918, 18 "S" and "D". Mostly brilliant Unc., the three pieces varying somewhat in tone, but of uniform color. A scarce set, worth in excess of its catalog value. 3 Pcs.
- 18 1919, 19 "S", 19 "D", 20, 21 and 1923. All are brilliant red Unc., except the 1919 "S" which is slightly paler in color, and has numerous microscopic tarnish spots upon the reverse. As a lot, still above average. 6 Pcs.
- 19 1920 "S" and "D". Choice red Unc., the first brilliant, but with slight indications of tarnish and a minute reverse spot or so. A scarce pair, listing at \$7.50. 2 Pcs.
- 20 **1921 "S".** Choice Unc., toned an iridescent golden bronze. Far better than many offered, and equal to the piece that sold for \$20.00 in our May 9th sale.
- 21 1922 "D", 24, 25 and 1926. Brill. red Unc. Unusually choice. 4 Pcs.
- 22 **1923 "S".** Choice Unc. Toned a rich, golden red-brown, this cent is far above average in spite of two light obverse tarnish spots. Seldom found better, and well worth \$17.50 on today's market.
- 23 **1924 "S".** Bright, almost fully brilliant red Unc. Valued at \$12.50 so.
- 24 **1924 "D".** As scarce as the last, and almost its equal, but heavily toned upon the reverse. Still, better than most, and decidedly hard to locate.
- 25 1925 "S". A brilliant red Unc. "Gem." Not fully struck up on the obverse, as many are, but still about the best we've handled. Rare so nice.
- 26 1925 "D" and 1926 "D". Brill. red Unc. Like the last, poor impressions, but even so, top-notch cents. 2 Pcs.
- 27 1926 "S". A bold, red specimen of this very scarce coin. Just about fully brilliant Unc., with only slight indications of tarnish. Far above average.

- 28 1927, 27 "S" and "D". Red Uncirculated, the two mint marks not quite as nice as the "P" coin. Scarce, and well worth \$10.00. 3 Pcs.
- 29 1928, 28 "S" and "D". Also red, the last fully brilliant, but the first two somewhat toned, and each with a small reverse tarnish spot. A nice Uncirculated set, listing at \$6.50. 3 Pcs.
- 30 Balance of the set, 1929 to 1946 "D". Uncirculated choice. Almost completely bright red, and mounted in the last two pages of a Raymond type Popular album. Worth \$17.50. A fine start, for anyone interested in the series. 51 Pcs.

## A SMALL COLLECTION OF U. S. COINS

### The Property of Roger Cohen, Mt. Rainier, Md.

- 31 **Double Eagles.** 1901 "S". Ex. Fine. A bright, brilliant piece, showing no appreciable wear, but with the usual minor handling nicks. Well above average.
- 32 1924. Ex. Fine. Lustrous, and not a common date. Lists at \$85.00 when perfect.
- 33 **Eagles. 1803.** Large stars on reverse; Adams 3. Abt. Ex. Fine, but with a few microscopic defects, as commonly found. In great demand, and bringing close to \$100.00.
- 34 1855. Choice Uncirculated. A nice coin, cleaner than most, and listing at \$45.00 so.
- 35 1911. Indian head design. Abt. Unc., but with a few slight nicks in the right reverse field.
- 36 **Half Eagles. 1806.** Round-topped (Knobbed) 6; six stars facing. V. Fine or better, the reverse showing adjustment or file marks.  
It is interesting to note that the Pointed 6 coins have five stars facing, rather than six.
- 37 **1810.** Small date; tall 5. Just about perfect Unc. In spite of faint adjustment marks at the upper left obverse border, this piece is superior to many offered, and should bring the \$55.00 commanded by the W.G.C. specimen in 1946.
- 38 1838. Very Fine. Desirable as a "type" coin.
- 39 1842 "C". Small date, letters and mint mark. Bad rim break over the seventh star. Fine to V. Fine, the reverse slightly defective.
- 40 1842 "D". Large date and letters. Very Fine, but showing considerable handling and two or three rather prominent nicks. Lists at \$25.00 (Guidebook) in only Fine.
- 41 1844 "O". Abt. Very Fine. Usual unimportant handling marks.
- 42 1885 "S". Brilliant Uncirculated. Cleaner than many offered, and worth a premium so.
- 43 1893 "CC". Fine to V. Fine, but with two or three minor defects. Scarce.
- 44 1907 "D". Liberty head; the second and last year from this mint. V. Fine to Ex. Fine.
- 45 1908. The last year of the Liberty head type. Abt. Unc. Brilliant and choice.
- 46 1915. Indian head. Very Fine.
- 47 **Three Dollars Gold.** 1854. The first year of issue. Better than Ex. Fine, but the obverse cleaned. Far nicer than most.
- 48 **Quarter Eagles. 1807.** Last year of the Turban head facing right. Fine to V. Fine, but not fully struck up, mainly upon the reverse. Few minute rim nicks. In our opinion, these early Quarter Eagles are under-cataloged, considering the few that appear. Only 6,812 coined.
- 49 1834. Fine to V. Fine. Small rim cut on either side.
- 50 1902. Mostly brilliant Proof. Traces of iridescent surface tarnish. Only 193 Proofs struck bearing this date.
- 51 1925 "D". Pratt's Indian head type. Strictly Very Fine.
- 52 **Gold Dollars.** 1849. Second type; small head, L on truncation (for Longacre), open wreath. V. Good or better. Pin-point dig in the left reverse field.
- 53 1853. Ex. Fine and lustrous.
- 54 1855. Type 2; Feather head-dress. Strictly Very Fine. Unusually bold.
- 55 1873. Type 3; Larger head. Brill. Unc., with full mint bloom.
- 56 **Silver Dollars.** 1795. Flowing hair in six curls. Rev. Three leaves under each wing and fourteen berries on wreath. Bolender 7; R-4 (nearly R-5). Fine, with some claims to V. Fine. Unfortunately, the right obverse field has two small pin-point nicks and the reverse rim is lightly bruised in three or four places. Still, a nice looking example of a variety that was not in the sale of the celebrated Bolender collection last year.

- 57 **1797.** Sixteen stars; 9 x 7. Rev. Large letters. B-1. Like the last, Fine or better. The obverse shows traces of file marks, and the edge displays two or three of the usually found minor defects. As a date rare, considering that only 7,776 pieces were struck.
- 58 1798. Very wide date, 1 close to curl. Die defect between date and bust. Rev. Leaf points between R and I in AMERICA. B-20. Unlisted reverse rim break under eagle's tail and stem. Fine to Very Fine. Two unimportant obverse scratches above the head and in between B E of LIBERTY. An R-4 variety, just about equal to Bolender's example.
- 59 1799. Left stars distant from curl and L. Right stars close to Y and bust. Rev. Left corner off U in UNITED. Waves at top of date and die break through OF on reverse. B-16a. Abt. Very Fine, but with two slight obverse edge bruises.
- 60 1802/1. Close date, the 1 firmly touching the curl. Rev. Bolender's "A". B-4; R-5. Almost V. Fine, faint traces of luster. Among other insignificant flaws, this dollar has a small obverse edge nick, and another mark at the left top of the shield upon the reverse. A very rare variety.
- 61 1859. Liberty seated; without motto. Ex. Fine, polished to resemble a proof. Few signs of handling, including a small bruise or defect in the left obverse field. Uncommon, listing at \$10.00 in only V. Fine.
- 62 1871. Liberty seated; with motto. Fine or better. Also, 1922. Peace Dollar. Brill. Unc., slightly "bag handled" as usual. 2 Pcs.
- 63 1904. The Morgan design. Brilliant Proof. Not quite perfect, showing indications of cleaning. Rare, listing at \$30.00.
- 64 1880. Trade Dollar. Mostly brilliant Proof. Only 1,987 pieces struck, all of which were proofs. A \$25.00 coin, according to the Guidebook.
- 65 **Half Dollars. 1795.** Beistle 13-U. Very Good, with some claims to Fine. Very rare.
- 66 1806. Pointed top on 6; heavy die break under date and to left. Also 1822 and 1833. V. Good, V. Fine and Ex. Fine plus. 3 Pcs.
- 67 1834. Large date, letters and 50 C. Brill. Unc. Just about a "Gem" and the finest we remember seeing. Rare so choice.
- 68 1837, 54 "O" and 56 "O". First two Ex. Fine, last V. Fine. Popular "type" coins. 3 Pcs.
- 69 1874. Arrows at date. A brilliant, cleaned Proof. Catalogs at \$10.00.
- 70 1877 "S". Almost Ex. Fine, reverse planchet flaws. Also, 1942. Partly brilliant Proof. 2 Pcs.
- 71 1906. A popular Barber half in choice Unc. condition. Weakly struck at the center bottom half of Liberty's wreath. Also, 1951 "S". Franklin type. Brill. Unc. First scarce. 2 Pcs.
- 72 **Quarters. 1807.** Browning 2. Fine obverse; Very Fine reverse. Few slight, hardly discernible handling defects. Scarce, and valued at \$15.00.
- 73 1818. B-3. Choice Uncirculated. Almost fully brilliant, and well worth all of \$15.00 so.
- 74 1831. Small letters. B-4. Also, 1858. Average Ex. Fine. 2 Pcs.
- 75 1853. Arrows and Rays. Also, 1883. Abt. Unc. and impaired Proof. Last really scarce, with a total coinage of only 15,439. 2 Pcs.
- 76 1874. Arrows at date. A brilliant Proof, toned and tarnished upon the reverse. In great demand.
- 77 1892. Barber design. Type 2; Eagle's right wing on R of AMERICA. Brilliant, almost perfect, Proof.
- 78 1917 T-1, 20, 25 and 1942. First three Ex. Fine or better, last a toned Proof. Also, 1875 "S" Twenty Cents. Close to Unc., but with several small nicks in the right obverse field and a small reverse rim nick. Well worth at least \$10.00. 5 Pcs.

## D I M E S

- 79 **1796.** The first year of issue. Good or better. An evenly worn coin, the date clear, but showing considerable handling. Among other defects, we note a curved dig in the left obverse field, and a reverse scratch after OF. Lists in the Guidebook at \$25.00 in Good.
- 80 **1798/97.** 16 stars on reverse. V. Good to Fine, but with three minute obverse digs and a short reverse scratch at the tip of the eagle's left wing. Worth \$30.00 today.
- 81 **1798.** Medium 8. Very Fair, the lower part of the date well worn.
- 82 **1800.** Rev. of 1801; wide A's in legend. V. Good to Fine. Lightly scratched, mainly upon the obverse. A very rare variety of a scarce date.

- 83 **1801.** The Shattered Reverse. Very Good. Bold, like most of these, upon the reverse. An extremely rare variety of a date second to 1804 in rarity.
- 84 **1802.** Good to V. Good. The obverse, in particular, somewhat defective, and well worn; the reverse sharp. Like the last, much the rarer of only two varieties.
- 85 **1803.** Obv. Very Good; Rev. Fine. Ever so slightly bent, and with several microscopic pinpoint nicks and scratches, almost all of which are upon the obverse. Rare.
- 86 **1804.** 14 stars on reverse. Strictly Fine, in spite of numerous infinitesimal digs on the right side of the obverse, visible only with a glass. Weak at the upper left side of the reverse, as always. A \$75.00 coin, that appears better than it sounds.
- 87 1805. 4 berries on olive branch. Very Fine or better, and unusually nice.
- 88 1807. Fine to V. Fine. Mostly clean and desirable.
- 89 **1809.** Just about Good. Rare.
- 90 **1811/09.** Almost Fine. This coin shows more handling than wear. Catalogs at \$15.00.
- 91 1814. Both types; large and small dates. Very Fine, with two or three pin-point obverse nicks, and V. Good plus. The last has a slight scratch at the second star and a minute rim nick, also on the obverse. Scarce and very scarce. 2 Pcs.
- 92 1820 Small O, 1825, 1828 Large and small dates. First two V. Good, the 1828's Good and V. Fair. 4 Pcs.
- 93 1821. Both types; large and small dates. Fine to V. Fine, the first with three or four small digs, mainly upon the reverse. Last choice and scarce. 2 Pcs.
- 94 1823/22. Both varieties; small and large E's. Abt. V. Fine and Good, the second with a minor defect or so. First actually twice as scarce, in spite of contrary cataloging. 2 Pcs.
- 95 1824/22. Very Fine or better. Few small digs, which are hardly discernible. Lists at \$7.50 Fine; \$35.00 Unc.
- 96 1827, 1829 Small 10c, and 1830 Large 10c. Very Fine plus and Fine (2). The 1829 with two or three unimportant reverse nicks. 3 Pcs.
- 97 1831 L. 10c, 1832, and 1833. Ex. Fine, Unc., and Abt. Unc. Nice coins. 3 Pcs.
- 98 1834, 35, 36, and 1837. Last Fine, others Ex. Fine; the 1835 an impaired proof. 4 Pcs.
- 99 1837 S. Date, 1838 "O" (Gobrecht design, without stars); 1838, 39. Stars, no drapery. First two V. Good or better, the 1837 with an obverse rim cut. Both of the last Ex. Fine and choice. 4 Pcs.
- 100 1837. Large date. A brilliant, choice Uncirculated example of the popular Liberty seated type, without stars. Lists at \$17.50 in the Guidebook.
- 101 1838, 39 "O", 40, and 1840 "O". All without drapery from elbow. First Ex. Fine, others Fine (2) and V. Fine. 4 Pcs.
- 102 1841, 41 "O", 42, and 1842 "O". V. Good (1) to V. Fine. Above average. 4 Pcs.
- 103 1843, 45, and 1845 "O". First two close to Unc., though the 1845 has a small dig in the right obverse field. Last better than Good, but damaged. 3 Pcs.
- 104 **1844.** Almost Fine. "Little Orphan Annie." Rare.
- 105 1846, 47, and 1848. V. Good, V. Fine, and almost Ex. Fine. Uncommon, and worth \$12.50. 3 Pcs.
- 106 1849, 49 "O", and 1850. Fine to V.F., V. Good, and abt. Ex. Fine. The mint mark scarce. 3 Pcs.
- 107 1850 "O", 51, 51 "O", 52, and 1852 "O". Good (1), V. Good (2), and Fine (2). First and last really hard to locate. 5 Pcs.
- 108 1853, 53 and 53 "O" with arrows at date. First two Fine to V. Fine, Last V. Good with a pin-point obverse nick. Valued at \$6.50. 3 Pcs.
- 109 1854, 54 "O", 55, 56 S. Date, and 1856 "O". V. Good (1) to Ex. Fine (2). 5 Pcs.
- 110 1856 L. Date, 57, and 1857 "O". First Good, second choice Unc., last V. Fine, with a minor reverse rim nick. The 1857 "O" is a freak, without edge reeding. 3 Pcs.
- 111 1858, 58 "O", and 1859 "O". First two V. Fine, the mint mark scarce and showing a few slight handling defects. Last Fine. 3 Pcs.
- 112 1859 and 1860. Choice Unc., the second a "Gem". Different types, worth \$8.50. 2 Pcs.
- 113 1859 "S". Abt. Fine. Few minor defects, including a small reverse scratch at the top of the wreath. Becoming quite rare.

- 114 1860 "S" and 1861 "S". Abt. Fine and Strictly Fine, both slightly mishandled. While the second has a few pin-point nicks on the obverse, it is a very scarce mint mark. The one in our 40th sale, while better (Abt. Very Fine), brought \$23.00. 2 Pcs.
- 115 **1860 "O"**. Basically close to Fine, this rarity has been disfigured by some vandal. Along with a small rim cut, there is a heavy scratch across the obverse, and OF has been obliterated. The reverse is comparatively clean, except for two or three small, unnoticeable nicks. Not a beautiful coin, but an acceptable one, worth considerably less than the specimen we recently sold for \$127.50. Very rare in any condition.
- 116 1861 and 1862. Brilliant Unc. Listed at \$7.00 in the Guidebook. 2 Pcs.
- 117 1862 "S" and 1865 "S". Good and almost Fine. Easily worth \$10.00. 2 Pcs.
- 118 1863. A mostly brilliant, though apparently cleaned Proof. Only 460 struck.
- 119 1863 "S". Just about Very Fine. Rare so.
- 120 1864. Brilliant "Semi-Proof." Limited coinage of 39,070 pieces.
- 121 1864 "S". Abt. Very Fine. Seldom found so sharp. Rare.
- 122 1865. Partly brilliant Proof. Very scarce.
- 123 1866. Another Proof, like the last. The Guggenheimer specimen sold for \$11.00.
- 124 1867. Cleaned Proof. Recent record of \$16.00.
- 125 1867 "S", 68 "S", and 1869 "S". Fine, almost V. Fine, and V. Good plus. Very scarce lot. 3 Pcs.
- 126 1868, 69, 70, and 1871. Fine to Very Fine. 4 Pcs.
- 127 **1870 "S"**. Strictly Fine, but with two or three unimportant defects, and somewhat roughened upon the reverse. Rare, and seldom offered for sale. We sold an Uncirculated example in our May 9th sale, for a record \$60.00 over catalog.
- 128 **1871 "S"**. Very Fine and rare. Slight flaw in the right obverse field.
- 129 1872, 73, 1873 Arrows. Unc., Fine, and Ex. Fine. The second with a light obverse scratch. Last scarce and in demand. 3 Pcs.
- 130 **1872 "CC"**. Fine. While the obverse seemingly has only one small dig on Liberty's left knee, the reverse is maltreated in several places, from the top edge to the bottom inside of the wreath, under DIME. A very rare mint mark, which should be seen. Catalogs at \$60.00 in Fine.
- 131 **1873 "S"**. Arrows at date. Almost perfect; a lustrous "Semi-Proof." Choice and valuable. Rare.
- 132 1874. Arrows. Brilliant, cleaned Proof. Lists at \$8.25 in the Guidebook.
- 133 **1874 "S"**. Strictly Ex. Fine. Similar to the piece we sold for \$25.00 in our 40th sale.
- 134 1875, 76, and 1877. Ex. Fine and Unc., the last unusually choice. 3 Pcs.

## LARGE CENTS

- 191 **1793.** Crosby 3-C. (Sheldon 3) R-3. Chain, AMERICA. Very Good-10. A sharp cent, with an exceptionally bold date, struck upon a defective planchet. Flaws in the right obverse field and upon the reverse, from ICA of AMERICA to the U of UNITED. Dark brown and steel. Comparatively clean, in spite of a few rim and other defects.
- 192 1793. C 9-G; (S-8) R-3. Wreath type; The Horizontal Stem. Strictly F-15, though purchased by the former owner as VF-20. A nice, clean coin, evenly centered and struck. Light and medium brown, the obverse somewhat mottled. Easily worth \$60.00.
- 193 1793. **C 14-K; (S-15) R-8.** The rarest Liberty Cap; the Dotted I, with the high center reverse. Abt. Good-4, considering the very late stage of the reverse die, in which the swelling that usually obliterates ONE CENT has extended to cover most of the wreath also. A well worn coin, but all of LIBERTY and the date, and all of the reverse legend and fraction, are plainly visible, as is the beaded border on the reverse. Clean, except for one or two minor scratches, a small obverse rim defect, and two light reverse rim bruises. This is either the fifth or sixth known specimen, and in either event presumably one of only four in collectors' hands. An excessively rare cent, with a basal value of \$35.00.

This rarity has been traced back to a Bolender sale of August, 1935. It was purchased from dealer Douglas as a Crosby 12-K, and before that came from Dochkus of Philadelphia. The possibility exists that the example owned by Dr. French and the Williams piece (referred to by Dr. Sheldon as the one owned by a Cincinnati collector) are the same coin. If this is so, there are only four specimens in addition to the present piece, only two of which are in numismatic circulation (the Wilharm-Hines-W. H. Sheldon and French-Williams coins).

- 194 **1794.** Hays 17; (S-24) R-2. Maris's "Scarred Head." Very Fine-30, but with several large pit marks resembling snowflakes blowing across an otherwise clean obverse. Russet and brown. Also, Hays 20; (S-42) R-5 (almost R-6). The (second) Abrupt Hair. VG-10, displaying extensive corrosion. Very difficult to find in decent shape. Interesting. 2 Pcs.
- 195 1794. Hays 35; (S-60) R-4. The Patagonian obverse. F-12. Dark, with two or three minor rim bruises. The reverse is from the scarce injured state of the die. Also, Hays 56; (S-72) R-2. The exact head of 1795. F-15. Granulation and slight pitting, mainly upon the obverse. Still fairly attractive, and with a combined book value in excess of \$40.00. 2 Pcs.
- 196 **1795.** S-75; (CN 3, D-67) R-3. Lettered edge. Very Good-8. A nicely centered, clean cent, showing only even wear. Light and dark brown. Excellent for a type set, and easily worth its book value of \$24.00. We doubt if more than 750 examples of all lettered edge varieties survive of this date, whereas about 1,100 are extant of the 1793 Chain type. V. Scarce.
- 197 1795. S-76a; (CN 4, D-66) R-6. Lettered edge; ONE CENT high. Obv. Good-5; Rev. V. Fair-3. There is a long planchet flaw upon the obverse, and two serious reverse rim defects. Very rare in any condition, this "type" lists in the Standard Catalog at \$35.00 in Good.
- 198 1795. S-76b; (CN 4, D-66) R-1. Plain edge; ONE CENT high. VG-8, struck from reground and weakened dies. Also, S-78; (CN 6, D-70) R-1. Plain edge; ONE CENT centered. Almost VF-20. Light brown color. Worth \$25.00. 2 Pcs.

- 199 **1796.** Liberty Cap. S-81; (CN A, G-A) R-2. "Closest Date" variety. Obv. VG-8; Rev. Good-4. Impaired by a few long, shallow scratches upon the obverse, and the customary three or four small nicks. Valued at \$15.00, but should realize about \$10.00.
- 200 **1796.** Draped Bust. S-108; (CN 21, G-23) R-4. Abt. VG-7. Unevenly struck, and with two rim defects upon the reverse, along with four or five small surface nicks. Dark brown. More than three times as rare as the other R-4 with the same reverse, S-109. Worth about \$15.00.
- 201 Three different 1796 Cents. S-88 **R-6** and S-89 R-4 (Liberty Caps), together with S-110 R-2 (Draped Bust). First two Very Fair, the last V. Good. The S-89 is pitted upon the obverse, and both it and the S-110 display signs of handling. 3 Pcs.
- 202 **1797.** S-125; (CN 8) **R-7.** Condition 1; the obverse Poor, but the reverse Fair. Date only partly legible. A "dog" (to coin an expression), but of the most excessive rarity. Only three specimens were known to Dr. Sheldon when he wrote his book.
- 203 **1797.** S-126; (CN 9, D-107) R-3. Perfect obverse die. Just about VF-20, and dark brown in color. Slightly weak at ON(E) and CE(NT), but otherwise excellent. A superior example of this variety, which is rarely found with the obverse perfect. Should bring \$20.00.
- 204 **1797.** S-138; (CN 21, D-103) R-3. A tragedy. This evenly centered and bold cent has the sharpness of EF-40, but its surface is rough and dirty, and there is a conspicuous scratch in the right obverse field. Could be greatly improved.
- 205 Five different 1797 Cents. S-120a (Rev. of 1796) R-4, S-131 (Stemless) R-3, S-133 (Also Stemless) R-5, S-136 R-4, and S-137 R-2. Very Fair and Good. A clean lot, except for the last. 5 Pcs.
- 206 **1798.** S-163; (C 23, D-131) **R-6.** Top of Hair Unfinished; Painted 1. Very Good-10, but lightly scratched upon the obverse, and with a few other defects, mainly represented by obverse rim abuse. Light brown color, slightly mottled. One of the top examples of a very rare variety.
- 207 **1798.** S-168; (C 28, D-134) R-3. Small date. VF-25. A nice cent, showing slight indications of handling, and with a pin-point pit mark on Liberty's neck. Medium brown, mottled with darker shades.
- 208 Six different 1798 Cents. S-148 R-2, S-150 (Overdate) R-5, S-151 (Another Overdate) R-3, S-153 R-4, S-154 R-4, and S-162 R-5. Very Good (3) to Fine plus, the rare S-150 (really R-6) banged up. Scarce lot, the overdates cataloging at \$10. Good, \$35. Fine each. 6 Pcs.
- 209 Seven more 1798 Cents, all different. S-171 R-5, S-172 R-2, S-174 R-3, S-179 R-2, S-181 R-4, S-185 R-3, and S-186 R-2. Good (2) to almost Fine (3), the S-181 badly corroded. A nice "starter" group. 7 Pcs.
- 210 **1799.** S-189; (C 2, D-138) R-3. The Perfect Date 1799. Strictly Very Good-8. Very strong LIBERTY and date, almost unheard of on a '99. An above average example, with the usual dark rough surface, and the regularly found minute handling marks and scratches. A cent that should be seen, being equal to specimens nationally advertised as "Fine."
- 211 **1800.** S-212; (CN 25) R-3. The Chips Variety. Late stage of the dies. Almost F-15, but with a few infinitesimal obverse handling nicks. Light and dark brown, slightly mottled. A nice, clean cent, seldom found so bold.
- 212 Six different 1800 Cents. S-191 (1800/1798) R-2, S-192 (1800/1799) R-4, S-200 R-2, S-202 R-3, S-203 R-2, and S-209 R-5. Good or better, the first and fourth with serious scratches. The S-209 alone is valued at \$7.50. 6 Pcs.
- 213 **1801.** S-214; (N 2) **R-6.** Very Good-10. This cent is cursed with a number of minute digs, most of which are apparent upon the obverse. In addition, a small "X" has been scratched on either side. A well known rarity, and hardly as bad as it sounds.
- 214 **1801.** S-223; (N 11, D-158) R-1. Blunt 1's; Fraction 1/000. Fine-15, but with traces of pitting on the left side of both obverse and reverse. Dark, and somewhat rough, undoubtedly the result of a fire. Popular, cataloging at \$15.00.
- 215 Six different 1801 Cents. S-213 R-3, S-216 R-2, S-219 (Three errors) R-3, S-220 (Fraction 1/000) R-4, S-221 (Fraction 1/100 over 1/000) R-3, and S-224 R-1. Very Fair (1) to almost Fine, the first pitted and mishandled. An interesting lot. 6 Pcs.
- 216 **1802.** S-241; (N 19, D-166) R-2. Stemless Wreath; Double Fraction Bar. The "Dropped S" variety. A VF-20 cent, but the entire surface, on both sides, uniformly rough. Virtually free of the usual handling marks, and popular as a "type" coin.

- 217 Lot of seven 1802 Cents, almost all different. S-226 R-2, S-231 (Stemless wreath) R-1, S-232 R-1, S-233 R-5, S-237 R-2, and S-239 R-3. Very Fair (1), Very Good (3), and Fine (2). In addition, a mutilated duplicate of S-231. 7 Pcs.
- 218 **1803.** S-247; (N 5, D-182) R-4. The Mumps Obverse; Short Fraction Bar. Abt. Very Fine-20. Lightly mottled, from golden tan to russet, to chocolate. In spite of a very few microscopic obverse handling defects, a superior specimen, and worth a generous bid.
- 219 **1803.** S-257; (N 15, D-192) R-2. Close date. F-15 or better, but dark and rough. Slightly cut and abused at the top edge. Also, S-261; (N 19, D-196) R-3. The "Scarred Neck" variety. Almost perfect obverse die, unusual and scarce so. Fine-12. Slight obverse defect or two near the L of LIBERTY. 2 Pcs.
- 220 **1803.** S-265; (N 22, D-197) R-4. The famous Large Date; Large Fraction. Early die state. Strictly VG-10, but with several light rim bruises, and a few pin-point nicks or pits. Not an attractive cent, but a rare and popular one. Catalogs at \$75.00 in Fine.
- 221 Nine different 1803 Cents. S-243 (Stemless wreath) R-3, S-245 R-3, S-249 (Fraction 1/100 over 1/000) R-3, S-252 R-2, S-254 R-1, S-255 R-1, S-256 R-4, S-258 R-1, and S-263 R-2. Very Fair (1), the balance averaging Very Good or better. 9 Pcs.
- 222 **1804.** S-266; R-3. Broken obverse and reverse dies. Better than V. Fair, almost Good-4. Date weak; tops of STAT(ES), on the reverse, gone. Worth \$35.00.
- 223 **1804.** Restrike. Obv. S-261 (1803), badly rusted and broken, reengraved to 1804. Rev. An 1820 die rusted badly, reground. Copper. Uncirculated. MS-65. Almost fully red. Should realize \$20.00.
- 224 **1805.** S-268; (C 2, D-200) R-6 (or less). The Rare Blunt 1. VF-20. Light olive brown, interestingly mottled upon the reverse. Mostly clean, except for a few minor rim nicks, and a minute pit mark or so at the far left side of the obverse. As always, from very soft copper, like the cents of 1799 and 1800. Very rare, not many known above Fine.
- 225 **1805** S-267 (Blunt 1) R-1, **1805** S-269 (Pointed 1) R-1, **1806** S-270 R-2, **1807** S-271 (Comet) R-2, **1807** S-273 (Large overdate) R-1, **1807** S-274 (Small fraction) now R-4, **1807** S-275 (Rare large fraction) R-6, and **1807** S-276 (Common large fraction) R-1. An exceptional lot, the first 1805, 1806, and 1807/6, Fine; the balance from V. Fair (S-274) to V. Good (3). Unfortunately, the reverse of the Comet displays a few prominent rim nicks. Valued at \$50.00. 8 Pcs.
- 226 **1808.** S-278; (C 2, D-209) R-3. Strictly Fine-15, but the borders weak, and a few small digs mainly on the right hand side of the obverse. The scarcest variety of the year.
- 227 **1808** S-277 (Twelve stars) R-2, **1808** S-279 R-2, **1809** S-280 R-2, **1810/09** S-281 R-1, **1810** S-282 R-2, **1810** S-283 R-1, and **1810** S-284 R-3. Both S-279 and S-281 are Fine or better, but the first is mutilated, and the overdate is somewhat mishandled and pitted. The balance, including the popular 1809, averages Very Good. Another nice lot for resale. 7 Pcs.
- 228 **1811.** S-287; (C 2, D-216) R-2. The Perfect Date. Ex. Fine-40. A nice coin, except for a small pitted area near the end of Liberty's nose, and reverse roughness to the right of ONE CENT. Russet and brown color. Exceptionally bold, and seldom seen better. Probably could be improved by careful treatment.
- 229 **1812.** S-288; (C 1, D-217) R-1. The Large Date. Very Fine-30. Iridescent gray and russet. Few hardly visible handling defects, including a reverse scratch at UN of UNITED. Excellent for a type collection. Superior to the Downing example.
- 230 **1811/10** S-286 R-2, **1812** S-289 (Large date) R-1, **1812** S-291 (Small date) R-2, **1813** S-293 R-2, **1814** S-294 (Crosslet 4) R-1, and **1814** S-295 (Plain 4) R-1. First Good-6, the others about Fine (including the scarce 1813), except for the S-294 which is Ex. Fine, but holed. The second 1814, S-295, is the "bearded variety." 6 Pcs.
- 231 **1816** NA-2 and **1817** NA-13 (Close date). Ex. Fine, with a minute pin-point nick in the right obverse field, and dull red Unc. The first is the usual "Randall Find" variety, and the 1817, while the obverse is beginning to darken, is exceptionally choice. 2 Pcs.
- 232 **1817** NA-16 (Fifteen stars) and N-17, state IV (about four known). Fine plus, in spite of a few defects, and about Very Fine. The second has a serious obverse rim nick, and is dark in color, with a rather rough surface. Also, **1818** NA-7. Partly red and Abt. Unc., Liberty's cheek marred by one small nick. 3 Pcs.

- 233 **1819** NA-2 (Large date). A late stage of the dies, resembling an overdate. Also close to Unc., this cent is a uniform red color which appears artificial. In addition, **1819** NA-9, state a (Small date); **1820/19** NA-1, and **1821** NA-1 (Close date). Fine or better, the second with a reverse rim nick. Last very scarce. 4 Pcs.
- 234 **1820** NA-13. Large date, the "Randall Find" variety with the obverse cracked through date and stars. Uncirculated red. A beautiful, almost perfect cent.
- 235 **1822** NA-11 (Wide date). Very Fine. Sharply struck, but with a few small reverse digs before O(NE) and C(ENT). Also, both varieties of **1823**. The overdate, NA-1, and the perfect date, NA-2. Good and Abt. Very Fine, the NA-2 with a scratch or two on each side. Last pair rare. 3 Pcs.
- 236 **1824/22** NA-1, **1824** NA-3 (Wide date), **1825** NA-8 (Small A's), **1826** NA-4 (Compact date), **1827** NA-11, **1828** NA-3 (Large date), and NA-10 (Small date). Last only Good with obverse edge bruises, the balance Fine to V. Fine. Mostly nice, the 1824/22 with a reverse rim nick. 7 Pcs.
- 237 **1829** NA-2 (L. Letters), **1830** NA-8 (L. Letters), and **1833** NA-5 (Also large letters, horned 8 in date). A Very Fine trio, the 1830 an R-4 item, and the last with a nick on Liberty's cheek. 3 Pcs.
- 238 **1831** NA-7 (Large letters). Abt. Unc. Cleaned, and slightly impaired at the edges, but still a nice cent. Also, **1832** NA-1 (Small letters). Lustrous light red color, and just about Unc. This R-3 item has also been "improved," but most of the original mint surface remains. 1832 is a very hard date to find choice, and this piece, with a basal value of 30¢, is well worth \$15.00. 2 Pcs.
- 239 **1834** NA-1 (Small date and letters, large stars); **1835** NA-1 (Large date and stars); 1835 N-16 (Type of '36), and **1836** NA-1. The first is strictly Ex. Fine, and a beautiful, light brown color. While the other three coins average Fine or better, the NA-1 of 1835 has a serious reverse edge bruise. 4 Pcs.
- 240 **1837** NA-7 (Plain hair cord, large letters). The Second Head, Dr. French's "Pert Obverse." A superb Uncirculated cent. Only two or three infinitesimal flaws, and a trace or so of tarnish on the obverse rim, impair the magnificent appearance of this piece. From the Dr. French collection, No. 569, at \$10.00. In the original box.
- 241 **1838** N-12. Abt. Ex. Fine. Light red and steel color, but with a small obverse edge bruise. The finest example of this R-6 variety that we have seen, somewhat better than the Mint Coll. example. Worth a good price.
- 242 **1839/36** NA-1. Good. Well worn, and with a "sweated look." Small obverse edge bruise. Rare, and in great demand.
- 243 Four different **1839** "type" cents. NA-2 (Type of '38), NA-4 (Silly head), NA-8 (Type of '40), and N-10 (Booby head). Fine, about V. Fine, Very Fine plus, and close to Abt. Unc. Comparatively clean and choice. 4 Pcs.
- 244 **1840** NA-1 (Small date), NA-9 (Large date); **1841** NA-2; **1842** NA-2 (Small date), NA-6 (Large date). Fine to Abt. Unc., mostly the best. The NA-9 of 1840 is unusually choice, and worth about \$7.50. 5 Pcs.
- 245 **1843** Type of '42. Obv. N-12; Rev. UNITED S apparently recut. Ex. Fine, though cleaned and colored. Also, 1843 N-13 (Obv. of '42, Rev. of '44). Outer rim break below 18 of date. Better than Very Fine, but with a few minor handling marks. Even brown color. Rare. 2 Pcs.
- 246 **1843** NA-5 (Type of '44), N-13 (Obv. of '42, Rev. of '44); **1844/81** NA-2, and **1844** NA-5. Fine to Very Fine, the first bruised on the obverse border. The 1843 N-13 and the overdate are alone valued at \$15.00. 4 Pcs.
- 247 **1845** UNLISTED. Obv. NA-3; Rev. N-8, faintly cracked as described. Uncirculated. Light red color, tarnished upon the obverse past the second star, and on Liberty's face. The only example of this muling that we have ever seen or heard of. Undoubtedly very rare.
- 248 **1846** NA-1 (Small date), NA-12 (Tall date); **1847** N-19, and **1848** N-28. While the second is better than Fine, the others are Ex. Fine (1) and dull red Unc. (2). 4 Pcs.
- 249 **1849** UNLISTED. Obv. Similar to NA-1, but without die scratches at neck, or defect at the thirteenth star; Rev. Also like NA-1, but with plain die scratches thru UNITED, and a line thru the second berry inside the wreath at left. Just about Unc., though cleaned. Also, **1850** NA-10. Uncirculated red. Few microscopic flecks of tarnish. 2 Pcs.
- 250 **1851** NA-14 and **1852** NA-10. Partly red Unc., the first with a small nick on the obverse border, and the 1852 with an unimportant rim nick or two. In addition, 1852 NA-7, state a, the double outlines on date very plain. Fine or better. 3 Pcs.

- 251 **1853** NA-10, and another, answering the description of NA-17, but with plain file scratches in the die back of the head. Also, **1854** N-22. Partly red Unc., the reverse of the first brown, and the 1854 with a flaw on the right reverse border. Above average. 3 Pcs.
- 252 **1855** NA-4 (Upright 5's) and NA-10 (Slanting 5's). The second is a "twelve star" type, as much so as the famous 1808. In the Fewsmith sale, 1870, this variety was so described under lot No. 1044, as the sixth star is nearly obliterated by a die defect. Unusual and rare. Uncirculated red, neither in full brilliancy. The first, in particular, shows slight obverse spotting. Last rare, and seldom offered. 2 Pcs.
- 253 **1856** NA-1 (Slanting 5) and NA-6 (Upright 5). Mostly red Unc.; similar, though superior to the last. 2 Pcs.
- 254 **1857** NA-1 (Large date) and N-4 (Small date). Very Fine or better, the first cleaned and colored. Few handling and other defects. Very scarce, and in heavy demand. 2 Pcs.

## HALF CENTS

- 255 **1793**. Gilbert 2; C 1-B; Breen 4: 2-C (R-4 - \$2.00). Bust left; the first year of issue. Very Good-8. A coin that would be Fine, except for its uniformly rough surface, obverse striations, and slightly concave appearance. Careful examination reveals a few other flaws, including rim imperfections. Still worth in excess of its book value as a very popular type.
- 256 **1794** G-4; B-10: 4-E (R-4 - \$1.75). Badly injured die. VG-10. Few light and old reverse scratches, and a small dig in the right obverse field. **1795** G-3; B-15a: 2-A (R-3 - \$2.00). Lettered edge; punctuated date. Fair-2. **1795** G-4; B-17: 2-C (R-4 - \$1.25). Plain edge; punctuated date. VG-8, but mutilated, mainly by several small nicks and digs. **1795** G-6; B-18b: 3-C (R-6 - \$2.50). Plain edge; without pole. Struck on a thick planchet. Abt. VG-7, but also mutilated by having a large, crude 5 cut over the last numeral of the date. 4 Pcs.
- 257 **1796** G-1; B-20: 1-A (R-6 - \$20.00). Pole to cap. Obv. Abt. Good; Rev. Fair. Black color, the surface somewhat roughened, and with the usual minor handling defects. This Very Fair-3 coin has a legible date, and was purchased from dealer Whiteneck for \$85.00 in 1948 or 49.
- 258 **1797** G-1; B-22a: 1-A (R-6 - \$7.50). Lettered edge. Strictly Very Good-7. A desirable example of this rarity, though somewhat unevenly struck as almost always, and with a rough surface. Bold, particularly upon the obverse. A very rare variety, as much so as the last, but hardly as popular. Still, this coin catalogs at \$75.00 in Good in the Standard Catalog, well above its book valuation.
- 259 **1797** G-3; B-24: 3-B (R-4 - \$1.25). Plain edge; bust centered. Very Good-8. **1797** G-4; B-23: 2-B (R-2 - .08). 1 over 1 in date. A sharp Fine-15, but neatly tooled in both the obverse and reverse fields. Also, another G-4, struck over a Talbot, Allum & Lee Cent. Poor. 3 Pcs.
- 260 **1800** G-1; B-25: (R-2 - .25). Very Fine-25. **1803** G-3; B-31: 2-D (R-2 - .25). F-15 to Very Fine-20. **1804** G-5; B-38: 4-E (R-2 - .15). Crosslet 4; stems to wreath. Fine-15, or better. Defect under Y of LIBERTY upon the obverse. Nice coins. 3 Pcs.
- 261 **1802**. G-1; B-27: 1-B (R-4 - \$3.00). Very Good-10. Unfortunately, the surface of this Half Cent is slightly rough, and there are a few minor nicks, bruises and digs. In addition, we note a reverse planchet defect at HALF CENT. Certainly not a beautiful piece, but a really rare and popular one.
- 262 **1803** G-4; B-30: 1-C (R-7 - \$5.00). Heavy rim break over STAT. Good-5. A comparatively clean coin, with nice, even wear. **1804** G-1; B-42: 6-G (R-5 - .75). Plain 4; stems to wreath. Almost F-15, but with handling defects, including several nicks and digs in the obverse field. First extremely rare, last a well known "type" listing at \$12.50. 2 Pcs.
- 263 Five different 1804 Half Cents. G-2, B-41 6-F (R-1 - .12½); G-3, B-40 5-F (R-3 - .25); G-5, B-38 4-E (R-2 - .15); G-7, B-37 3-E (R-2 - .15); G-8, B-36 3-D (R-3 - .25). Good-4 (1) to VF-20 (2); includes four different "types." While two or three show the commonly found defects, these pieces are above average. 5 Pcs.
- 264 **1805** G-1; B-46: 3-C (R-2 - .20). Small 5; stemless wreath. Fine-12. Few, hardly visible, obverse scratches, and three or four small rim nicks. **1805** G-2; B-45: 2-B (R-2 - .20). Large 5; stems to wreath. Fine-15. **1806** G-3; B-50:

- 3-C (R-2 - .15). Large 6; stems to wreath. VG-10. Several microscopic pit marks, plus similar defects. **1808/7** G-1; B-53: 1-B (R-4 - \$1.00). Broken obverse die. Good-5. Traces of pitting and mishandling, as on the preceding. Lists at \$7.50, over its book value. 4 Pcs.
- 265 **1806**. G-2; B-47: 1-A (R-6 - \$1.00). Small 6; stems to wreath. Fine-15, but slightly mishandled. There are a few light edge bruises, and several small defects, the most serious one upon Liberty's neck. Our basal value is conservative on this type coin which catalogs at \$25.00. A similar example brought \$17.00 in our 39th sale.
- 266 **1806**. G-1; B-49: 2-B (R-1 - .12½). Small 6; stemless wreath. Uncirculated red, but apparently cleaned by an expert. MS-60. Unusually choice; almost completely free of minor flaws.
- 267 **1807** G-1; B-51: 1-A (R-2 - .20). Fine-15. **1808** G-2; B-54: 2-B (R-2 - .30). Abt. Fine-12, but with several small rim nicks and edge bruises. Easily worth \$6.00. 2 Pcs.
- 268 **1808/7** G-1; B-53. Very Good-10. Minute reverse rim nick, and a few other unimportant defects. Easily worth its low book value of \$10.00. In great demand.
- 269 **1809/6** G-5; B-56: 1-A (R-2 - .25). Very Fine-20. **1809** G-1; B-57: 2-B (R-3 - .25). Inner circle to 0. VG-8, weak at the lower right side of the reverse, as usual. **1809** G-4; B-59: 4-C (R-3 - .20). VF-35; small obverse rim bruise. 3 Pcs.
- 270 **1810** G-1; B-61: 1-A (R-3 - .40). Fine-15. Dark brown. **1811** G-1; B-62: 1-A (R-4 - \$1.50). Good-6. Minute obverse rim nick, and traces of reverse pitting and corrosion. Scarce and rare. 2 Pcs.
- 271 **1825** G-1; B-65 (R-1 - .15). EF-45, iridescently colored. **1826** G-1; B-67 (R-2 - .15). Unc. red, almost MS-65. In spite of two or so minute obverse tarnish spots, on exceptionally desirable specimen. Also, **1811** G-2; B-63 (R-5 - \$2.50). Poor and battered. 3 Pcs.
- 272 **1826** G-2; B-68 (R-4 - .35). Abt. VF-20. **1828** G-1; B-70 (R-1 - .12½). Thirteen stars. VF-30; reverse rim nick. **1828** G-3; B-71 (R-2 - .20). Twelve stars. EF-40. Light olive brown and choice. 3 Pcs.
- 273 **1829**. G-1; B-72 (R-1 - .15). Unc. red, just about MS-70. Beginning to tone, along with slight indications of "keg handling" and traces of tarnish. Well worth \$10.00 so nice.
- 274 **1832** G-1, **1833** G-1, and **1834** G-1. B-77, 79, and 80. First two AU-50, the last just about MS-60. The 1832 cleaned, and the 1834 artificially colored. 3 Pcs.
- 275 **1835** G-1 and **1849** G-3 (Large date). B-82 and 115. Also, Low 49, the famous HALF CENT WORTH OF PURE COPPER token. MS-60, AU-50, and VG-10, the last with a few, unimportant pin-point nicks. 3 Pcs.
- 276 **1850**, **53**, **54**, and **1856**. Uncirculated or close to it, the 1853 exceptionally nice. Worth about \$12.50. 4 Pcs.
- 277 **1851**. G-1; B-118 (R-7, as a Proof). Iridescent pink and blue **Proof**. Not fully brilliant, and with a minute spot near the ninth star, but decidedly rare. There are only seven proof examples known to us, including this piece and the specimen in the Mint collection.
- 278 **1855**. G-1; B-125. Uncirculated red; MS-65. Fully and uniformly brilliant. Even considering the few visible fly specks of tarnish, this piece is the best we have handled in some time.
- 279 **1857**. G-1; B-128. The last year of issue. Dull red Unc. Slight fingermark and other tarnish. While hardly a superior example, this date is very much underrated. Only 35,180 were coined, and the majority of these were melted prior to 1860.
- 280 **Small Cents**. 1858 Flying Eagle. Large letters. Uncirculated. Choice, except for a very light scratch in the obverse field under ATES of STATES, and a few microscopic tarnish specks. A \$12.50 coin.
- 281 1858 Flying Eagle. Small letters. Brilliant Unc., though lightly and attractively toned. Well above average, in spite of an infinitesimal reverse rim nick. Catalogs at \$15.00.
- 282 1859 Indian head. Rev. Laurel wreath. Almost fully brilliant Proof. Few hardly visible specks of obverse tarnish.
- 283 1863 Indian head. Rev. Oak wreath and shield. Proof, like the last. This otherwise common date is becoming very hard to locate so, and now lists at \$15.00.

- 284 1864, 1907 bronze Indian heads; 1909 VDB, 1909, 42, 43, and 1945 Lincoln cents. Second and fifth Proofs, the balance Unc. Partly brilliant, some tarnish. Mtd. in a used, small size Raymond page, No. 450. 7 Pcs.

## EARLY AMERICAN COINS

- 359 **Oak Tree Shillings.** 1652. Without Shrubs at side of tree. Crosby 1a-D; Noe 6. Purchased as Very Fine, this unevenly struck piece has been expertly plugged above the tree (obverse) and date (reverse). A high R-4 variety, called by Crosby R-6. Originally from the Dr. Hall collection.

- 360 Similar. 1652. Crosby 1b-D; Noe 7. A very late stage of the reverse die. Fine to V. Fine, but rather discolored. Unevenly centered upon the obverse, and also slightly clipped, reducing the size of the planchet. R-3. Catalogs at \$60.00 in Fine.
- 361 Similar. 1652. Crosby 4-C; Noe 9. Strictly Fine, but also neatly plugged by someone of artistic bent. This time the "work" is in the obverse legend between H and V, and under the second N of ENGLAND upon the reverse. A bold, clean coin except for two old, and unimportant obverse digs or defects. Acceptable, and far better than its description implies. Rarity 3.
- 362 1652. The Spiney Tree. Crosby 7-B; Noe 14. Very Good or better. Nicely centered, but somewhat clipped. Lists, as a type, at \$25.00 Good; \$50.00 Fine.
- 363 1652. Oak Tree Sixpence. MASATHVSETS IN; NEW ENGLAND ANO. Crosby 1c-D; Noe 21. Unevenly struck, this piece averages Very Good. It displays signs of bending, and shows wear on two high spots. An R-4 variety, though called R-3 by Crosby. From B. M. Mehl.
- 364 **Pine Tree Shilling.** 1652. Small size. MASATHVSETS IN; legend begins at lower l. Crosby 13-S; Noe 30. Abt. ## U. S. FRACTIONAL CURRENCY

### Seaford Consignment

The estimates after each of the following lots are based upon the new 1953 edition of the Standard Paper Money Catalogue, Part II. In this recent publication, Mr. Raymond has, for the first time, placed a value in "Fine" on all the notes of the first three issues, excepting the scarce red backs which saw little circulation. The addition of a "Fine" classification to the standard reference, reflects the apparent rarity of much of this material, particularly in choice preservation.

- 493 **First Issue.** A.B.N. Co. on back. Perforated edges. 5 Cents. **R-1.** Crisp Unc., but  
with two minute pin holes left of center. Far superior to the average copy  
offered. (\$8.50)
- 494 Similar. 5 and 10 Cents. **R-1, R-2.** Unc. Slight, and unimportant red reverse  
stains, noticed by us on many of these. Clean, bright copies. List at \$10.00  
each. 2 Pcs. (\$15.00)

- 495 Another pair, like the last. Almost New. The 5 Cents is far off-center, while the second has nice margins. 2 Pcs. (\$13.50)
- 496 Similar. 25 Cents. **R-3**. Crisp Unc. Choice, but the perforations at the right end clipped. Uncommon. (\$11.50)
- 497 A.B.N. Co. on back. Plain edges. 5, 10, 25 and 50 Cents. **R-5, 6, 7** and 8. Uncirculated set of four, the last with a small pin hole. 4 Pcs. (\$7.50)
- 498 Another set, like the last. Unusually nice. 4 Pcs. (\$8.50)
- 499 Similar. 5 and 10 Cents. Uncut vertical strips of four notes each. Uncirculated, though folded and creased in between each note. The 10 Cent strip, upon careful examination, shows faint traces of age and soiling. Excellent display items. 2 Pcs. (\$9.50)
- 500 Similar. 5 Cents. Uncut vertical strip of four notes. Also, an uncut vertical pair of the 25 Cents. Abt. Unc. and V. Fine, the first only creased once in the center. 2 Pcs. (\$6.00)
- 501 Similar. 50 Cents. Uncut vertical pair. Ex. Fine. The first that we have handled. (\$7.50)
- 502 Without A.B.N. Co. Perforated edges. 5 and 10 Cents. **R-9, 10**. Ex. Fine and Abt. Unc., the first displaying a green stain, mainly upon the reverse. Last comparatively choice. Both of these were purchased as perfect from a noted dealer. 2 Pcs. (\$10.00)
- 503 Similar. 50 Cents. **R-12**. Fine, cut close at top. Catalogs at \$10.00 so. Rare. (\$7.50)
- 504 Without A.B.N. Co. Plain edges. 5 Cents. **R-13**. Crisp Unc. Just about perfect and decidedly rare. (\$12.50)
- 505 Similar. 10 Cents. **R-14**. Crisp Unc. Nicely centered. Rare. (\$10.00)
- 506 Another, just about as nice. Also, one with a fine line frame upon the reverse, otherwise Valentine 14a. Last V. Good and presumably very rare. 2 Pcs. (\$12.50)
- 507 Similar. 25 Cents. **R-15**. Just about Fine. Very rare in any condition. (\$8.50)
- 508 Similar. 50 Cents. **R-16**. Strictly Fine. Bright and clean. Also very rare. (\$12.50)
- 509 **Second Issue**. Value surcharge on back only. 5 Cents. **R-17**. Three different varieties, V-17, 17a, 17c. Also, 25 and 50 Cents. **R-18, 19**. Crisp Unc., the V-17a showing slight signs of age. 5 Pcs. (\$6.50)
- 510 Similar. Set of three, 5, 10 and 25 Cents. In addition, an uncut vertical strip of three 5 Cent notes. First three crisp Unc., last Ex. Fine. 4 Pcs. (\$7.00)
- 511 Similar. 25 Cents. Surcharged "Treas. Dpt." in the right upper obverse corner. V-19e. Choice Unc. Extremely rare. (\$15.00)
- 512 Additional surcharges on back. Surcharge 18-63. 5, 10 and 25 Cents. **R-21, 22** and **23**. Crisp Unc. Nice set. 3 Pcs. (\$6.00)
- 513 Another set, like the last. Just about as choice. 3 Pcs. (\$5.50)
- 514 Similar. 10 Cents. Uncut vertical strip of four notes. Crisp Unc., but neatly folded and creased in between each note. Unusual and desirable. (\$7.50)
- 515 Similar. 10 Cents. **The reverse surcharge inverted**. V-22b. Very Fine. Excessively rare and valuable. If this were a philatelic item its value would run into hundreds of dollars. In any case, an 1877 Indian Cent in Proof is common by comparison, and we estimate this note accordingly. (\$50.00)
- 516 Surcharge 18-63, S (upper left). 5, 10 and 25 Cents. **R-21a, 22a** and **23a**. Crisp Unc., the first with a faint crease at the lower left hand corner. Surcharge 18-63, 2 (upper right). 25 Cents. **R-23c**. Unc., but showing indications of age. Last hard to find. 4 Pcs. (\$12.50)
- 517 Similar. **R-21a, 22a** and **23a**. Ex. Fine lot. Scarce. 3 Pcs. (\$4.50)
- 518 Similar. 25 Cents. **R-23a**. Uncut vertical strip of four notes. Choice Unc. Folded and creased in between each note. Uncommonly rare, the first that we have handled. (\$17.50)
- 519 Surcharge 18-63, A (upper left). 50 Cents. **R-24a**. Surcharge 18-63, 1 (upper right). **R-24b**. Crisp Unc. Last scarcer than the first. 2 Pcs. (\$11.00)
- 520 Similar. 50 Cents. **R-24a**. (3). Fine to V. Fine. Also, **R-24b**. Unc., but trimmed close and with the top margin broken. 4 Pcs. (\$10.00)
- 521 Another lot, like the last. First three V. Fine (2) and Fine damaged. Last Abt. Unc., but also slightly impaired upon the obverse. 4 Pcs. (\$6.50)
- 522 Fibre paper. 5 Cents. Surcharge 18-63, R-1 (2). 50 Cents. Surcharge 18-63, T-1 (2). **R-25, 28b**. Very Good, one of the last partially split. Rare, as are all of these, in any condition. 4 Pcs. (\$5.00)
- 523 50 Cents. Surcharge 18-63, R-2. **R-28a**. Ex. Fine. This rarity lists at \$10.00 in only Fine, and perfect examples are far rarer than the catalog values imply. (\$13.50)

- 524 Another. Ex. Fine. Lightly stained at the upper right hand corner. (\$11.50)
- 525 50 Cents. Surcharge 18-63, T-1. **R-28b**. Just about new. Seldom found better. Rare. (\$12.50)
- 526 Another. Abt. Unc. The paper at the two top corners just beginning to split. (\$10.00)
- 527 A third. Ex. Fine. Due to their fabric, these notes appear used even when in choice preservation. (\$8.50)
- 528 **Third Issue**. Green backs. 3 Cents, Washington. Dark and light curtains. **R-29, 30**. 5 and 10 Cents. **R-31, 32**. Strictly Unc., the first and third darkened with age. In addition, an uncut vertical pair of the 3 Cents, dark curtain. Very Fine. 5 Pcs. (\$6.50)
- 529 Similar. 3, 5 (2) and 10 (2) Cents. **R-30, 31, 31a, 32** and **32a**. Crisp Unc. Unusually nice. 5 Pcs. (\$10.00)
- 530 Used lot. 3¢ **R-29** (3), 3¢ **R-30** (4), 5¢ **R-31** (5), 5¢ **R-31a** and 10¢ **R-32** (9). First includes an unsevered vertical pair. Fair to V. Fine or so. Excellent for resale. 22 Pcs. (\$4.50)
- 531 Similar. 5 (2) and 10 (2) Cents. **R-31, 31a, 32, 32a**. Crisp Unc., the last somewhat aged. 4 Pcs. (\$8.00)
- 532 Another lot, like the last. Crisp Unc. One or two sloppily printed, as in the preceding, the way these generally come. 4 Pcs. (\$8.50)
- 533 Similar. 5, 10 (2) and 25 (2) Cents. **R-31a, 32, 32a, 33, 33a**. Unc. About average, the third yellowed from age. 5 Pcs. (\$10.00)
- 534 Similar. 10 (2) and 25 (2) Cents. Like the last, but lacking the 5 Cents, and crisp Unc. 4 Pcs. (\$7.00)
- 535 Similar. 25 Cents. **R-33**. Very Good (1) to Abt. Unc. (2). 8 Pcs. (\$5.00)
- 536 Similar. 25 Cents. **R-33a**. Fine average. These list at \$1.25 each. 15 Pcs. (\$11.00)
- 537 Similar. 25 Cents. **R-33, 33a**. Choice Unc. Fibre paper. Rev. surcharge M-2-6-5. **R-34**. Strictly Very Fine. Last uncommonly rare. 3 Pcs. (\$16.50)
- 538 Another trio, identical with the last. **R-33, 33a, 34**. The third not quite as choice. 3 Pcs. (\$13.50)
- 539 Three more. **R-33, 33a, 34**. In this lot, the first was somewhat soiled in printing, and the **R-34**, while at first glance attractive, is rather wrinkled due to water immersion. Unc. (2) and Fine. 3 Pcs. (\$11.00)
- 540 Similar. 25 Cents. Design letter a. **R-34a**. Crisp Unc. While slightly off-center, this rarity is seldom found perfect, and is worth its full catalog value so. (\$25.00)
- 541 Another, purchased as Uncirculated, which it nearly is. Unfortunately, the paper has an aged appearance, and the extreme upper left and lower right corners are clipped (without touching any part of the design). Cost \$12.50 years ago, but worth more today. (\$17.50)
- 542 Similar. 25 Cents. Fibre paper. Rev. surcharge M-2-6-5. The extremely rare variety with a solid bronze obverse surcharge. **R-35**. Only Good, creased, and with several small pin-holes, but seldom offered in any condition. Catalogs at \$50.00 in Fine. (\$15.00)
- 543 50 Cents. Justice. Rev. surcharge A-2-6-5. Design numeral 1. **R-37b**. Abt. Uncirculated. Crisp, but lightly folded near the right end together with a very small, hardly noticeable, tear at the cropped left margin. Scarce. (\$8.50)
- 544 Similar. 50 Cents. The reverse surcharge not so widely spaced. **R-37½**. Also, design letter a. **R-37½c**. Uncirculated, and almost so, the second lightly folded at the left. Mostly crisp. 2 Pcs. (\$15.50)
- 545 Two more, like the last. Close to Ex. Fine. List at \$12.50 in only Fine. 2 Pcs. (\$12.00)
- 546 Similar. 50 Cents. Design numeral 1. **R-37½b, but the reverse surcharge inverted**. V-42x. Plate number 57 at the lower right hand corner of the obverse. Fine or better, and of the most excessive rarity. This note was not known to Dr. Valentine, as he states on page 19 of Volume 2 that he had not seen it. In comparison, the famous "Allison and New" red back is common, and since this item may be unique, our estimate of its value can only be a rough guess. (\$100.00)
- 547 50 Cents. Justice. Fibre paper. Rev. surcharge A-2-6-5. Design numeral 1. **R-38b**. Fine or better, but slightly torn and tattered at the ends. An acceptable example of a note that lists (when perfect) at \$20.00. Hardly as bad as it sounds, and decidedly rare in any condition. (\$7.50)
- 548 50 Cents. Spinner. Plain, and with design numeral 1 only, together with design letter a only. **R-39, 39b, and 39c**. First two Abt. Unc., last Very Fine. Uncommon group. 3 Pcs. (\$15.00)

- 549 Similar. 50 Cents. A duplicate **R-39**, just about perfect. Same, reverse surcharge A-2-6-5. Design numeral 1. **R-40b**. Extremely Fine. Last really scarce. 2 Pcs. (\$12.50)
- 550 50 Cents. Spinner. Type 2, 50 in center. Plain, and the variety with both design numeral and letter. **R-41, 41a**. Fine plus and Very Good, the second rare. 2 Pcs. (\$6.50)
- 551 The choicer **R-41a**. Ex. Fine. Lists at \$7.50 Fine, \$12.50 New. (\$8.50)
- 552 Red backs. Printed Signatures. 5 and 10 Cents. **R-42, 43**. Abt. Unc. 2 Pcs. (\$10.00)
- 553 5 and 25 Cents. **R-42, 44**. Also close to perfect, but the reverse of the first sloppily printed, and the R-44 rather aged in appearance. 2 Pcs. (\$10.00)
- 554 25 Cents. **R-44**. Choice Uncirculated. A nicely centered, choice impression. (\$7.50)
- 555 Similar. 25 Cents. Design letter a. **R-44a**. Crisp Uncirculated. Above average. (\$9.00)
- 556 Another, like the last. Ex. Fine. (\$5.00)
- 557 50 Cents. Justice. Rev. surcharge A-2-6-5. Design letter a. **R-46c**. Abt. Unc., but somewhat impaired at the upper right top margin. Originally purchased as crisp and perfect. Rare. (\$10.00)
- 558 50 Cents. Spinner. Rev. surcharge A-2-6-5. **R-48**. Almost perfect, but displaying slight indications of age at the left end. (\$6.50)
- 559 Similar. 50 Cents. Design numeral 1. **R-48b**. Choice Unc., but lightly folded at both of the left corners and the right end, the creases not interfering with the obverse design. Rare. (\$10.00)
- 560 Autograph Signatures. 10 Cents. Colby & Spinner. **R-49**. Only a shade from perfect. (\$5.00)
- 561 50 Cents. Justice. Colby & Spinner. **R-51**. Almost Unc., and crisp, but damaged slightly by two or three pin-like defects at the bottom margin. (\$7.50)
- 562 Another, about equal in quality. Part of Spinner's autograph eaten through the note. Like all of these, comparatively rare. (\$7.50)
- 563 Similar. 50 Cents. Rev. surcharge A-2-6-5. **R-52**. Almost Ex. Fine, but with several serious pin holes at each end. Catalogs at \$20.00 New. (\$12.50)
- 564 50 Cents. Spinner. Colby & Spinner. Rev. surcharge A-2-6-5. **R-54**. Uncirculated, almost perfect. V. Scarce. (\$9.00)
- 565 **Fourth Issue**. 10 Cents. Liberty. Set of the four different types. **R-57, 61, 65** and **68**. Choice Unc. Uncommon as a set. 4 Pcs. (\$4.00)
- 566 Similar. 10 Cents. Three more sets of four notes each. Fine to Abt. Unc., though mostly the best. The R-65 is, in our opinion, decidedly underrated. 12 Pcs. (\$6.50)
- 567 Wholesale lot. **R-57** (5), **61** (15) and **68** (9). Very Good to Abt. Unc. Above average. 29 Pcs. (\$8.00)
- 568 15 Cents. Columbia. Set of three different types, lacking only the variety with blue ends, violet fibre, and large Treasury seal. **R-58, 62, 69**. Ex. Fine to Uncirculated. Rather hard to locate. 3 Pcs. (\$6.00)
- 569 Similar. 15 Cents. Three more sets of three notes each. Good (1) to Ex. Fine. Really scarce and popular lot. 9 Pcs. (\$6.50)
- 570 25 Cents. Washington. Two each of the four different types. **R-59, 63, 67** and **70**. Very Fine to Ex. Fine. 8 Pcs. (\$7.50)
- 571 Similar. 25 Cents. Two more sets of four notes each. Fine to Ex. Fine, one torn and mended. 8 Pcs. (\$4.00)
- 572 50 Cents. Lincoln. Pink silk fibre. **R-64**. Carmine and red-brown seals. Ex. Fine and Abt. Unc., the second rare and unpublished. 2 Pcs. (\$8.50)
- 573 A duplicate of the last with carmine seal. Also, 50 Cents. Stanton. **R-71**. Six examples, few showing minor seal color variation. First Ex. Fine, others Fine to V. Fine. 7 Pcs. (\$9.00)
- 574 **Fifth Issue**. 10 Cents. Meredith. Green seal. **R-72**. Ex. Fine. Scarce. 4 Pcs. (\$5.00)
- 575 50 Cents. Dexter. Green seal. **R-73**. Ex. Fine. Scarcer than the last. 4 Pcs. (\$6.50)
- 576 Similar. 10 and 50 Cents. Two of each. Ex. Fine. Worth \$11.00 New. 4 Pcs. (\$5.50)
- 577 As the last, but only averaging Very Fine. 4 Pcs. (\$4.50)

#### D. B., LOCAL CONSIGNMENT

- 578 **Liberty Seated Dollars**. 1840. First year of issue. Toned, and almost Ex. Fine, but with a few minute rim nicks. Scarce, and in demand.
- 579 1841. Very Fine. Cleaner than average. Easily worth \$10.00.

- 580 1842. Abt. Very Fine. Slight obverse rim bruise.  
581 1847. Also close to Very Fine. Two or three infinitesimal reverse edge defects.  
582 1849. Fine to V. Fine.  
583 1860 "O". Abt. Very Fine. Tiny obverse rim nick.  
584 1872. Ex. Fine, but displaying slight signs of handling.  
585 **Morgan Dollars.** 1878. Seven Feathers. Lustrous "Semi-Proof," similar to those often sold as the real McCoy. Also, 1878 "CC" and 1880 "O". Choice Unc., and proof-like, the first particularly so. All show signs of "bag handling," as do almost all of the following. Well above average, and valued at \$17.50. 3 Pcs.  
586 1879 "O". Brill. Unc. Not fully struck up on the high spots. Records to \$25.00, but worth less today.  
587 1881 "O". Brill. Unc. Complete with full mint lustre. Scarce, and in the \$10.00 class.  
588 **1881 "CC".** Bright, gorgeous "Semi-Proof." In spite of the usual unimportant traces of abrasion, this dollar is by far the finest we have seen or handled of this date and mint. The specimen in M. H. Bolender's famous collection was Fine to V. Fine, and the Menjou example only slightly better, indicative of the rarity of this piece in choice preservation. Worthy of a record price.  
589 1882 "O" and 1883 "O". Uncirculated. The first fully brilliant and unusually choice, while the commoner 1883 "O" is lightly toned a dull white color. Catalog at \$15.00. 2 Pcs.  
590 1883 "CC". Brilliant, bright Unc., with a frosty mint surface. Cleaner than most, and worth a premium so.  
591 1884 "O" and 1884 "CC". Brill. Unc., and a partly toned "Semi-Proof." Should realize \$12.50. 2 Pcs.  
592 1885 and 1885 "O". Proof-like and Unc., both brilliant and above average. 2 Pcs.  
593 1885 "CC". Frosty, bright Uncirculated. One of the best we have seen. V. Scarce.  
594 1886 and 1887. Brill. Unc. Hard to find so. List at \$11.00. 2 Pcs.  
595 1888. Brill. Unc. Selling for \$7.50, which is 50% over either Catalog. An under-rated coin.  
596 1888 "O" and 1889 "O". Abt. Unc., the last, in particular, showing rubbing on the high spots. Valued to \$25.00 when perfect. 2 Pcs.  
597 1889 "CC". The slightest shade from Unc., but with a proof-like surface. A difficult coin to locate.  
598 1890 "O", 90 "CC" and 1892 "S". Abt. Unc., Brill. Unc. and Ex. Fine. Last quite rare. 3 Pcs.  
599 1893 and 1896 "S". Brill. Unc., and close to it. Second scarce. 2 Pcs.  
600 1893 "O". Unc., but hardly choice. Not sharp at the highest points. Becoming decidedly rare in any condition.  
601 **1893 "S".** Strictly Very Fine. Just 100,000 coined, the smallest amount in the entire series, exclusive of the fabulous 1895. In great demand.  
602 1893 "CC". The last year of issue from this mint. Almost perfect, but with a small scratch on Liberty's cheek. Catalogs at \$50.00 in the Guidebook. Rare.  
603 1897 and 1900. Uncirculated. Really uncommon. 2 Pcs.  
604 1901 and 1901 "O". Brill. Unc., and nearly so. 2 Pcs.  
605 1902 and 1903. Uncirculated, almost fully brilliant and choice. Last becoming rare. 2 Pcs.  
606 1902 "O". Brill. Unc. Not particularly sharp on the high points, like many of these. Regularly bringing \$10.00 or more.  
607 **1903 "O".** Abt. Very Fine, but with a slight obverse rim bruise, along with several of the minor flaws commonly found. Rare and popular.  
608 **1904 "O".** Uncirculated. Uniformly brilliant, and mostly choice. Considered quite rare and valuable.  
609 **Minor Proof Sets.** 1897. Nickel and Cent. Lightly tarnished Proofs. Catalog at \$13.50. 2 Pcs.  
610 1898. Similar. Toned Proofs, but with faint traces of tarnish. Also worth \$13.50. 2 Pcs.  
611 1900. Similar. Proofs. Almost perfect, and unusually nice. 2 Pcs.  
612 1903. Similar. Proofs. Well above average. 2 Pcs.

All perfect, but the common bronze impression with two or three pin-point abrasion marks on the cheek of the female head. Mounted in a small, red lucite plastic holder. Glossy light brown color, the planchet slightly clipped at right. Decidedly superior to the Downing example, and a nice cent in spite of a small, unimportant obverse field scratch. Worth \$20.00.
- 619 1802. S-231. (N 9; D-165) R-1. Stemless Wreath; Without Double Fraction Bar. Obverse and reverse die cracks. An EF-40 coin, but one displaying a few minute handling and other defects. Lustrous golden brown lightly mottled with olive. This was lot 354 in the Newcomb sale, 1945.

- 622 **1809.** S-280. (C 1; D-210) R-2. Very Fine-20. Golden and dark brown. While this attractive coin shows a few unimportant indications of handling, it is far above the average example offered, and should command a good price. Catalogs at \$35.00 in only Fine.
- 623 1820. NA-13. Large date; the "connected stars" variety. Uncirculated, just about MS-60. Lightly mottled iridescent pink and olive, the reverse with two or three small tarnish spots. - 624 **Small Cents.** **1856.** Flying Eagle. Uncirculated, with a proof-like lustre. Rare, and in the greatest possible demand.

- 640 **Silver Dollars.** 1798. Bolender 6. Very Good. Nicked, and slightly mishandled upon both sides.
- 641 1799. B-22. Die flaws before Liberty's eyes. Rev. A heavy horizontal die break from right side of E to left side of M divides the coin in half. Strictly Very Fine for this extremely rare variety, the obverse weak as always. The sharpest example that we have seen. Valued by Bolender at \$50.00 Fine, \$75.00 Very Fine.

- 646 **Vermont Cents.** 1785. Mailed bust, facing r. Rev. IMMUNE COLUMBIA. Richardson 1 (R-5). Made at Machin's Mill, circa 1790-1. Very Good for this rudely struck mule, the obverse somewhat pitted at right. An acceptable example, superior to the A.N.S. coin, and of the most extreme rarity. Seldom offered, and well worthy of a good price.
- 647 1785. Sun rising from behind a range of mountains with eight trees. VERMONT. R-2. Obverse die badly broken, and the only specimen to come to our attention so. Very Good or better, but struck off-center, and the reverse rather defective. Also, 1785. R-3. Similar, a Fine coin struck upon a very poor planchet. Clipped, cut, and with traces of pitting. Like the first, without a visible date. Both rare, the R-2 decidedly so. 2 Pcs.
- 648 1786. Sun rising from behind a range of mountains with seven trees. VERMONTENSIMUM. The "U" in PUBLICA double-cut below. R-6. Fine. Weakly struck at the lower right hand side of the obverse, and the corresponding part of the reverse. In spite of a partly defective and clipped flan, a desirable example with a clear date. Well worth \$10.00.
- 649 1786. Similar, nine trees on mountain. R-8. Very Good. Evenly struck, with only three reverse corrosion spots to impair its appearance. Above average for this coin.
- 650 1786. "Baby Head" to right. R-9. Very Good, the planchet clipped and slightly bruised on the upper left obverse edge. Date fully on the flan, unlike the specimen illustrated in the Standard Catalog. Lists at \$17.50 in Fine.
- 651 1786. Mailed and laureated bust facing left. Both varieties of this rarity, R-10 and 11. The first in exceptional condition, evenly struck and worn, and almost equal to the piece illustrated by Raymond. The R-11 is poorly struck, as always, and displays several planchet and other defects. Very Good, this type cataloging at \$50.00 in Fine. 2 Pcs.
- 652 1787. Mailed and laureated bust facing right. Rev. BRITANNIA. R-13. Very Fine for this Machin's Mill production. Also, the regular type. 1787. R-14. Likewise Very Fine, considering the way this variety comes, but struck slightly off-center, and with a minor reverse rim cut. Both are in unusual condition, the R-14 being far superior to the A.N.S. specimen. 2 Pcs.
- 653 1788. Mailed and laureated bust facing right. Two varieties, R-16 and 17. Fine pair, the first with a microscopic reverse pin-point nick, and the R-17 with a rather serious obverse flan depression. Last almost a Rarity-4 item. 2 Pcs.
- 654 1788. Bust right. Rev. ★ ET LIB ★ ★ INDE. R-18. Overstruck on a counterfeit Irish half-penny c. 1781. Heavily broken obverse die. Very Good. A clean, evenly worn specimen of this extreme rarity, which is actually a "type" coin, listed as Rarity-6. When this variety appears in the Standard Catalog, it will be listed at \$25.00 Good, \$75.00 Fine.
- 655 1788. Bust right. Two varieties, R-20 and 21. Very Good and Fine, the last bold and rare. 2 Pcs.
- 656 1788. Similar. Two more. R-22 and 24. Abt. Very Good, both somewhat defective. Rarity-3 items, the first almost R-4. 2 Pcs.
- 657 1788. Similar. R-25. Overstruck on a George III halfpenny. Fine to V. Fine, the reverse weak from die sinking, as usual. Virtually free of the regular defects, and really sharp upon the obverse. Valued at \$10.00.

- 658 1788. Similar. R-27. Strictly Very Fine. Like Richardson 13, struck at Machin's Mill in a brassy composition. Cleaner than many seen, but the planchet granular, particularly upon the reverse. Also in the \$10.00 class.
- 659 1788. Similar. R-29. Very Good. The reverse weak as always, from buckling of the die. A highly desirable specimen of this Rarity-5 variety, which is apparently better than either the Ryder or Richardson coins.
- 660 **Hard Times Tokens.** Low 9. Boar running, nose points to C. Rev. Bust of Jackson, narrow shoulders. Brass, silvered. Also, Low 56. Bust of Van Buren. Rev. Eagle above safe. Copper, holed as issued. Uncirculated, and almost Ex. Fine, the last showing slight handling, mainly at the edges. Worth \$10.00. 2 Pcs.
- 661 Low 61. Ship. WEBSTER CREDIT CURRENT. Rev. VAN BUREN METALLIC CURRENCY. 1837 below. Wrecked ship with curved deck.
